Join us on September 9th and share a drink and a chat with other marine business owners and operators. Networking socials are a great forum for members to talk to each other about industry issues, ask questions, share ideas, meet with customers, obtain new business, or just relax and have a drink.

On average between 50-60 marine business owners and operators attend these networking socials.

Members will also be updated on current events and issues including boat shows, industry news, MTA/NJ events, public access and more by Executive Director Melissa Danko. Attendees will also have the opportunity to discuss their concerns and ask questions.

MTA/NJ Resource Table: The MTA/NJ resource table is **FULL** of information including industry news, legislative updates, helpful business materials, recent happenings, member benefits and much more! The MTA/NJ will also provide a table for members to display product information and distribute giveaways.
