

Stronger Together

Join the MTA/NJ Today!

When marine businesses stand together, *the entire industry wins.*

The **Marine Trades Association of New Jersey** works every day to advocate, promote, protect, educate, and connect the businesses that power recreational boating in our state.

Advocacy

Representation for your business in Trenton and in Washington D.C.

Promotion

Marketing opportunities to reach the local boating community

Networking

Full calendar of industry events & outings to make connections

Boat Shows

Discounts on industry produced shows to display your products

Workforce

Training programs, career listings and scholarship opportunities

Updates

Timely news and action alerts delivered straight to your inbox

Let's make it another strong year for New Jersey Boating.
